CAPO 3

[Am]There's a fire starting in my heart,
[F]Reaching a fever pitch and it's [G]bringing me out the dark
Finally, I can see you crystal clear.
Go ahead and sell me out and I'll lay your ship bare.
See how I leave, with every piece of you
Don't underestimate the things that I will do.
There's a fire starting in my heart,
Reaching a fever pitch and it's bringing me out the dark

[chorus:]
[F]The scars of your [G]love, remind me of [Em]us.
They keep me [F]thinking that we almost had it [F]all
The scars of your [G]love, they leave me [Em]breathless
I can't help [E]feeling...
We could have had it [Am]all[C]...
Rolling in the [F]Deep[G]
Your had my heart [Am]inside of your [C]hand
And you [F]played it to the beat[G]

[Am]Baby I have no story to be told, but
[E]I've heard one of you and I'm [G]gonna make your head burn.
Think of me in the depths of your despair.
Making a home down there, as mine sure won't be shared.

[chorus]

[Am]Throw yourself through ever open door (Whoa)
Count your blessings to find what look for (Whoa-uh)
Turn my sorrow into treasured gold (Whoa)
And pay me back in kind- You reap just what you sow.

[chorus]

alanis morissette – head over feet

[C, G, Am, F]

I had no choice but to hear you
You stated your case time and again
I thought about it

You treat me like I'm a princess
I'm not used to liking that
You ask how my day was

[chorus:]

You've already [D]won me [Bm]over [G]in spite of [A]me
Don't be [D]alarmed if I [Bm]fall [Bb]head over [A]feet
Don't be [D]surprised if I [Bm]love you for [G]all that you [A]are[F]Who would've [C]thought ... it fi[D]gures
[F]I couldn't [C]help it
[G]It's all your fault

Your love is thick and it swallowed me whole
You're so much braver than I gave you credit for
That's not lip service

[chorus]

You are the bearer of unconditional things
You held your breath and the door for me
Thanks for your patience

You're the best listener that I've ever met
You're my best friend
Best friend with benefits
What took me so long
I've never felt this healthy before
I've never wanted something rational
I am aware now
I am aware now, [chorus]

alanis morissette – ironic

capo -- 4th fret

An [D]old [G]man [D]turned ninety-[Em]eight
He won the [D]lotte[G]ry and [D]died the next [Em]day
It's a [D]black [G]fly in [D]your [Em]Chardonnay
It's a [D]death row [G]pardon two [D]minutes too [Em]late
Isn't it [D]ironic [G] don't you [D]think [Em]

[chorus]

It's like [D]rain [G]on your [D]wedding [Em]day
It's a free [D]ride [G]when you've [D]already [Em]paid
It's the good [D]advice [G]that you [D]just didn't [Em]take

Mr. [D]Play It [G]Safe was [D]afraid to [Em]fly
He packed his suitcase and kissed his kids good-bye
He waited his whole damn life to take that flight
And as the plane crashed down he thought
"Well isn't this nice ... "
And isn't it ironic ... don't you think

[chorus]

Well [Cmaj7]life has a funny way of [D]sneaking up on you
When you think everything's okay
and [Cmaj7]everything's going [D]right
And [Cmaj7]life has a funny way of helping you [D]out when
You think everything's gone wrong
and [Cmaj7]everything blows up in your [D]face

A [D]traffic [G]jam when you're [D]already [Em]late
A no-smoking sign on your cigarette break
It's like ten thousand spoons when all you need is a knife
It's meeting the man of my dreams

and then meeting his beautiful wife
And isn't it ironic ... don't you think
A little too ironic ... and yeah I really do think ...

[chorus]

[Cmaj7]Life has a funny way of [D]sneaking up on you
[Cmaj7]Life has a funny, funny way ---
of [D]helping you out [Cmaj7] helping you out

alanis morissette – you oughta know

[Em]I want you to know that [A]I'm happy for you.
[Em]I wish nothing but the [A]best for you both.
Another [Em]version of me Is she preverted like me?
Would she go [A]down on you in a theatre?
Does she speak [Em]eloquently? And would she have your baby?
I'm [A]sure she'd make a really excellent mother.

'Cause the [Em]love that you gave that we made
wasn't able to [G]make it enough for you to be [A]open wide. No,
and [Em]everytime you speak her name
does she [G]know how you told me you'd hold me
un[A]til you died? 'Til you died,
but you're still alive.

chorus:

And I'm [E]here to re[D]mind you
of the [G]mess you left when you [A]went away.
It's not [E]fair to [D]deny me
of the [G]cross I bare that you [A]gave to me.
You, you, you oughta know.

You seem very well. Things look peaceful.
I'm not quite as well. I thought you should know.

Did you forget about me Mr. Duplicity?
I hate to bug you in the middle of dinner.
It was a slap in the face how quickly I was replaced,
and are you thinking of me when you fuck her?

'Cause the love that you gave that we made
wasn't able to make it enough for you to be open wide. No,
and everytime you speak her name
does she know how you told me you'd hold me
until you died? 'Til you died, but you're still alive.

alice cooper – poison

[chorus]

Cause the joke that you laid in the bed that was me,
and I'm not gonna fade as soon as you close your eyes, and you know it.
And everytime I scratch my nails down someone else's back
I hope you feel it. Can you feel it?

[chorus]

[C#m]Your cruel [A]device [E]Your blood, [B]like ice
[F#m]One look [D]could kill [A]My pain, [C#]your thrill

[chorus:]

[F#m]I want to [D]love you but I [A]better not [C#]touch
[Bm]I want to [G]hold you but my [D]senses tell me [A]to stop
[G#m]I want to [E]kiss you but I [B]want it too [F#]much
[C#m]I want to [A]taste you but your [E]lips are [B]venomous
[C#m]poison [A,E,B]
You're [C#m]poison [A]running [E]through my [B]veins
You're [C#m]poison [A,E,B]
[C#m]I don't [A]want to [E]break these [B]chains

[C#m]Your mouth, [A]so hot [E]Your web, [B]I'm caught
[F#m]Your skin, [D]so wet [A]Black lace [C#]on sweat

[F#m]I hear you [D]calling and it's [A]needles and [C#]pins
[Bm]I wanna hurt you [G]just to hear you [D]screaming my [A]name
[G#m]Don't want to [E]touch you but you're [B]under my [F#]skin
[C#m]I want to [A]kiss you but your [E]lips are [B]venomous
[C#m]poison [A,E,B]
You're [C#m]poison [A]running [E]through my [B]veins
You're [C#m]poison [A,E,B]
[C#m]I don't [A]want to [E]break these [B]chains
You're [C#m]poison [A,E,B]

[F#m]One look [D]could kill [A]My pain, [C#]your thrill

[chorus]

[C#m, A, E, B]
Poison, oh no... Runnin' deep inside my veins,
Burnin' deep inside my veins, It's poison...
I don't wanna break these chains

amy winehouse – back to black

[Dm, Gm, Bb7, A7]

He left no time to re-gret,
Kept his dick wet, with his same old safe bet.
Me...and my head high,
And my tears dry; get on without my guy.

You went back to what you knew,
So far removed, from all that we went through.
And I...tread a troubled track,
My odds are stacked; I'll go back to black.

We only said goodbye with words; I died a hundred times.
You go back to her and I go back to...I go back to us.

I love you much, it's not e-nough;
You love blow and I love puff.
And life is like a pipe,
And I'm a tiny penny rolling up the walls inside.

We only said goodbye with words; I died a hundred times.
You go back to her and I go back to...
We only said goodbye with words; I died a hundred times.
You go back to her and I go back to...

[Dm]Black... [Gm]black,

[F]Black... [A7]black.

Black...black,

Black...I go back to...I go back to...

We only said goodbye with words; I died a hundred times.
You go back to her and I go back to...
We only said goodbye with words; I died a hundred times.
You go back to her and I go back to black.

Verse 1:

C Dm7

For you I was a flame,

Fdim Cmaj7

Love is a losing game.

C Dm7

Five story fire as you came,

Fdim Cmaj7

Love is a losing game.

Chorus 1:

Oh what a mess we made.

C Dm7

And now the final frame,

Fdim Cmaj7

Love is a losing game.

Interlude: C+

Verse 2:

Played out by the band, Love is a losing hand.

More than I could stand, Love is a losing hand.

Chorus 2:

Self professed, Profound, 'Till the chips were down.

Know you're a gambling man, Love is a losing hand.

Interlude: C+

Verse 3:

Though I'm rather blind, Love is a fate resigned.

Memories mar my mind, Love is a fate resigned.

Chorus 3:

Over futile odds, And laughed at by the gods.

And now the final frame, Love is a losing game.

amy winehouse – tears dry on their own

all i can ever be to you, is a darkness that we knew,
and this regret i got accustomed to.

once it was so right, when we were at our high,
waiting for you in the ho-tel at night.

i knew i hadn't met my match,
but every moment we could snatch.
i don't know why i got so attached.

it's my responsibility,
and you don't owe nothing to me,
but to walk away; i have no ca-pacity.

chorus 1:
he walks away; the sun goes down.
he takes the day, but i'm grown.
and in this grey, in this blue shade,
my tears dry on their own.

i don't understand; why do i stress a man,
when there's so many better things at hand?

we could a never had it amaj7ll; we had to hit a wall,
so this is in-evita-ble withdrawal.

even if i stop wanting you,
a perspective pushes through,
i'll be some next man's other woman soon.

i can't play myself again,
i should just be my own best friend,
not fuck myself in the head with stupid men.

chorus 2:
he walks away; the sun goes down.
he takes the day, but i'm grown.
and in this grey, in this blue shade,
my tears dry on their own.

bridge 1:
so we are history; your shadow covers me,
the sky above, a blaze...

chorus:
he walks away; the sun goes down.
he takes the day, but i'm grown.
and in your wake, in this blue shade,
my tears dry on their own.

i wish i could say no regrets, and no e-motional debts,
'cos as we kiss good-bye the sun sets.

D6 G#m7b5

the sky above a blaze that only lovers see.

chorus 4:

my tears dry on their own.

I always have to comfort you when I'm there
But that's what I need you to do - stroke my hair!
Cause' I've forgotten all of young love's joy,
Feel like a lady, but you my lady boy,

He said 'the respect I made you earn -
Thought you had so many lessons to learn'
I said 'You don't know what love is - get a grip! ' -
Sounds as if you're reading from some other tired script

I'm not gonna meet your mother anytime
I just wanna rip your body over mine

 Don't You think it's rather funny
 I should be in this position

I'm the one who's always been
So calm so cool, no lovers fool
Running every show ...
He scares me so

I never thought I'd come to this -
What's it all about

Yet if he said he loved me
I'd be lost I'd be frightened
I couldn't cope just couldn't cope
I'd turn my head I'd back away
I wouldn't want to know ...
He scares me so !
I want him so,
I love him so ...

God knows how I adore life
 When the wind turns on the shores lies another day
 I cannot ask for more

When the time bell blows my heart
 And I have scored a better day

 A place of love and mystery
 I'll be there anytime

[F]Raindrops keep falling on my [Fmaj7]head
and [F7]just like the guy whose feet are [Bb]too big for his [Am]bed
[D7]nothing seems to [Am]fit, [D7]Those [Gm7]raindrops are fallin'

[D7]Sleepin' on the [Am]job, [D7]Those [Gm7]raindrops are fallin'

the [Bb]blues they send to [C]meet me, won't [Am]defeat me
It won't be long till [D7]happiness steps [Gm7]up to greet me

[F]Raindrops keep fallin' on my [Fmaj7]head,
but [F7]that doesn't mean my eyes will [Bb]soon be turnin' [Am]red,
[D7]Cryin's not for [Am]me, [D7]cause [Gm7]I'm never gonna stop

[8x B]

I get up in the evening, and I ain't got nothing to say

some home in the moring, I go to bed feeling the same way
I ain't nothing but tired, man I'm just tired and bored with myself

Hey there baby, I could use just a little help

You can't start a fire, you can't start a fire without a spark
This gun's for hire even if we're just dancing in the dark

Message keeps getting clearer, radio's on and I'm moving round the place

I check my look in the mirror I wanna change my clothes my hair my face
Man I ain't getting nowhere I'm just living in a dump like this

There's something happening somewhere baby I just know that there is

You can't start a fire, you can't start a fire without a spark
This gun's for hire even if we're just dancing in the dark

You sit around getting older there's a joke here somewhere and it's on me
I'll shake this world off my shoulders come on baby this laughs on me

B

Stay on the streets of this town and they'll be carving you up alone Bruce Springsteen — Streets of Philadelphia

Stay on the streets of this town and they'll be carving you up alone
 They say you got to stay hungry hey baby I'm just about starving to death
 I'm dying for some action I'm sick of sitting 'round here trying to write this book
 I need a love reaction come on now baby gimme me just one look
 I was unrecognizable to myself
 saw my reflection in a window and didn't know my own face
 You can't start a fire, sittin' 'round crying over a broken heart
 oh brother are you gonna leave me wasting like this on the
 This gun's for hire even if we're just dancing in the dark
 streets of Philadelphia
 You can't start a fire, worrying about your little world falling apart
 I walked the avenue 'til my legs felt like stone
 This gun's for hire even if we're just dancing in the dark
 I heard voices of friends vanished and gone
 Even if we're just dancing in the dark
 At night I hear the blood in my veins
 Even if we're just dancing in the dark
 just as black and whispery as the rain on the
 Even if we're just dancing in the dark
 streets of Philadelphia

Ain't no angel gonna greet me
 It's just you and I my friend
 and my clothes don't fit me no more I walked a
 thousand miles just to slip this skin

The night is falling, I'm lying awake

Am
I can feel my self fading away

so receive me brother with your fateless kiss or

will we leave each other alone like this on the

streets of Philadelphia...

Se me sale la babita
Yo no lo puedo evitar

Cuando Juanica y Chan Chan
En el mar cernian arena
Como sacudia el 'jibe'
A Chan Chan le daba pena

Limpia el camino de pajas
Que yo me quiero sentar

creedence clearwater revival – wrote a song for the cream – white room everyone

Met myself a common county welfare line
I was a-feelin' strung out, hung out on the line
Saw myself a-goin' down to the war in June
All I want, all I want is to write myself a tune

[chorus:]

Wrote a song for everyone
Wrote a song for truth
Wrote a song for everyone--
When I couldn't even talk to you

Verse 2:

Got myself arrested, wound me up in jail
Richmond 'bout to blow up, communication fails
If you see the answer, now's the time to say
All I want, all I want is to get you down to pray

[chorus]

Verse 3:

Saw the people standin' a thousand years in chains
Somebody said it's a-different now; look, it's just the same
Pharaohs spin the message round and round the truth
They could have saved a million people, how can I tell you?

blackroof country, no gold pavements, tired starlings,
silver horses run down moonbeams in your dark eyes.
dawnlight smiles on your leaving, my contentment.

i'll wait in this place where the sun never shines.
wait in this place where the shadows run from themselves.

you said no strings could secure you at the stations.
platform ticket, restless diesels, goodbye windows.
i walked into such a sad time at the station.
as i walked out felt my own need just beginning.

i'll wait for you where the shadows run from themselves

The poor girl look is on the owners spouse

And my heart stopped beating

And when it stops it stops My heart stopped beating
And when it stops it stops My heart stopped beating

Outside your house To make a scene
In my head you grabbed me passionately
But the lights are out And in an hour
I walked on home In the pouring shower
Lost my keys in front of me
My neighbor's smile he's handing me
The blackest coffee you will ever see

And my hearts stopped beating

And when it stops it stops My heart stopped beating
And when it stops it stops My heart stopped beating

Without you here the seasons pass me by
I know you were not new
That loved like me and you
All the same I miss you

He's known by all in town
He found him with another son of God

The lovely air so thin
The salty water's underneath your feet

Here is where you'll stay
'Cause life has been insane but
Today has been ok
Today has been ok
Today has been ok

4 non blondes – what's up

25 years and my life is still
i'm trying to get up that
great big hill of hope
for a destination

i realized quickly when i knew i should
that the world was made up of this brotherhood of man
for whatever that means

and so i cry sometimes when i'm lying in bed
just to get it all out what's in my head
and i am feeling a little peculiar

and so i wake in the morning and i step outside
and i take a deep breath and i get real high
and i scream from the top of my lungs
what's goin' on

and i say, hey hey hey hey i say hey, what's going on?
and i say, hey hey hey hey i say hey, what's going on?

ooh, ooh ooh...

and i try, oh my god do i try
i try all the time in this institution

and i pray, oh my god do i pray
i pray every single day for a revolution

and so i cry sometimes when i'm lying in bed
just to get it all out what's in my head
and i am feeling a little peculiar

and so i wake in the morning and i step outside

and i take a deep breath then i get real high
and i scream from the top of my lungs

[x03550] Dryin' up in conversation, still
My head was halfway round the world [022030]
And workin' through your sleeping I was
Driven by the promise of a quick return

[F]And I wonder if she'll be the very same [022030]
[F]And I wonder if she's gonna break the [A]waves
[x03550]Again...

Tryin' just to focus on the good
I'm tired of divin' for the pearls
And every dawn is another morning less
I have to wait to wake beside that girl
And I hope she's gonna be the very same
And I hope she can survive this wave again

[A]And if we're all for [F]some[A]one
[A]And if we're born for [F]some[A]one
[A]When will she come, that [F]someone?
[A]And put things in their [F]place? [A]

Comin' back to see you girl,
You know there's nothing surer in this world
Remember all the mad and seasons
Back when we weren't old enough to wait our turn
And I hope we'll gonna be the very same
And I hope we can survive this wave again

And if we're all for someone
And if we're both for someone
When will she come, that someone?
And put things in their place?

I'd rather get my jammin' words in first, Lord
Tell ya something that I've found,
that the worlds a better place when it's upside down, boy

gnarls barkley – crazy

I remember when
I remember I remember when I lost my mind
There was something so pleasant about that place
Even your emotions had an echo in so much space

And when you're out there Without care
Yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Mmm! Does that make me crazy? [3x]
possibly/probably

And I hope that you are having the time of your life
But think twice, that's my only advice

Mmmm Come on now, who do you
Who do you, who do you, who do you think you are?
Ha ha ha, bless your soul
You really think you're in control?

Well, I think you're crazy [3x]
Just like me

My heroes had the heart to lose their lives out on a limb
And all I remember is thinking, I wanna be like them

Mhmmmm Ever since I was little,
ever since I was little it looked like fun
And it's no coincidence I've come
And I can die when I'm done

But maybe I'm crazy Maybe you're crazy
Maybe we're crazy Probably Ooh ooh

gnarls barkley – smiley faces

But what did you [B]do?
What did you [Bm]say?
Did you [A]walk or did you run away?
Where are you now?
Where have you been?
Did you come alone or did you bring a friend?

I need to know this cause I noticed you're smiling
Out in the sun, having fun and feeling free
And I can [E]tell you know how hard this life can [F#m]be
But you keep on smiling for [E]me[F#m]

What went right?
What went wrong?
Was it a story or was it a song?
Was it overnight or did it take you long?
Was knowing your weakness what made you strong?

Or all the above, oh how I love to see you smiling
And oh yeah, take just a little pain just in case
[E]You need something warm to embrace
To help you put on a smiling face

Dont you go off into the new day with any doubt
Here's a summary of something that you could smile about
Say for instance my girlfriend, she bugs me all the time
But the irony of it all is that she loves me all the time

I want to leap whenever I see you smiling
Because its easily one of the hardest things to do
Your worries and fears become your friends
And they end up smiling at you

Put on a smiley face

gnarls barkley – who's gonna save my soul now

[Fm]Got some bad news this [Cm]morning
Which in turn made my day
When this someone spoke I listened
All of a sudden has less and less to say
[Ebm]Oooo how could this [C#]be
All this time I've lived vicariously

[Bbm]Who's gonna save my [Fm]soul now
Who's gonna save my soul now
[Ebm]How will my story ever be [Bbm]told now
How will my story be told now

Made me feel like somebody; Like somebody else
Although he was imitated often
It felt like I was being myself
Is it a shame that someone else's song
Was totally and completely depended on

Who's gonna save my soul now
Who's gonna save my soul now
I wonder if I'll live grow old now
Getting high cause I feel so low down

And maybe it's a little selfish
All I have is the memory
Yet I never stopped to wonder
Was it possible you hurtin' worse than me
Still my hunger turns to greed
Cause what about what I need And Ooooo

Who's gonna save my soul now
Whoooo's gonna save my soul now
Oooo I know I'm out of control now hooohooo
Tired enough to lay my own soul down

Run on for a long time
Run on for a long time
Sooner or later God'll cut you down
Sooner or later God'll cut you down

Go tell that long tongue liar
Go and tell that midnight rider
Tell the rambler, the gambler, the back biter
Tell 'em that God's gonna cut 'em down
Tell 'em that God's gonna cut 'em down

Well my goodness gracious let me tell you the news
My head's been wet with the midnight dew
I've been down on bended knee talkin' to the man from Galilee
He spoke to me in the voice so sweet
I thought I heard the shuffle of the angel's feet
He called my name and my heart stood still
When he said, "John go do My will!"

Go tell...
You can run on...

Well you may throw your rock and hide your hand
Workin' in the dark against your fellow man
But as sure as God made black and white
What's down in the dark will be brought to the light

You can run on...
Go tell...

Why is this bedroom so cold?
You turned away on your side
Is my timing that flawed?
Am I feeling surprised?
Yet there's still this appeal
That we've kept through our lives
Love, love will tear it apart again

You cry out in your sleep
All my feelings exposed
And there's a taste in my mouth
As desperation takes hold
Yet, that something's so good
Just can't function no more, when
Love, love will tear us apart again

justin timberlake – cry me a river

capo on 4th
[Em, Bm7, C, C, Am]

You were my sun You were my earth
But you didn't know all the ways I loved you, no
So you took a chance And made other plans
But I bet you didn't think that they would come crashing down, no

You don't have to say, what you did,
I already know, I found out from him
Now there's just no chance, for you and me, there'll never be
And don't it make you sad about it

You told me you loved me Why did you leave me, all alone
Now you tell me you need me When you call me, on the phone
Girl I refuse, you must have me confused With some other guy
Your bridges were burned, and now it's your turn To cry, cry me a river
Cry me a river, Cry me a river, Cry me a river, yea yea

I know that they say That somethings are better left unsaid
It wasn't like you only talked to him and you know it
(Don't act like you don't know it)
All of these things people told me Keep messing with my head
(Messing with my head)
You should've picked honesty Then you may not have blown it (Yea..)

You don't have to say, what you did,
(Don't have to say, what you did)
I already know, I found out from him
(I already know, uh)
Now there's just no chance, for you and me, there'll never be
(No chance, you and me)
And don't it make you sad about it

You told me you loved me Why did you leave me, all alone
(All alone)
Now you tell me you need me When you call me, on the phone
(When you call me on the phone)
Girl I refuse, you must have me confused With some other guy
(I'm not like them baby)
Your bridges were burned, and now it's your turn
(It's your turn)
To cry, cry me a river (Go on and just)
Cry me a river-er (Go on and just)
Cry me a river (Baby go on and just)
Cry me a river-er, yea yea

Oh (Oh) the damage is done so I guess I be leaving
Oh (Oh) the damage is done so I guess I be leaving
Oh (Oh) the damage is done so I guess I be leaving
Oh (Oh) the damage is done so I guess I be leaving

babe, baby, baby, i’m gonna leave you.
i said baby, you know i’m gonna leave you.
i’ll leave you when the summertime,
leave you when the summer comes a-rollin’
leave you when the summer comes along.

baby, baby, i don’t wanna leave you,
i ain’t jokin’ woman, i got to ramble.
oh, yeah, baby, baby, i believin’,
we really got to ramble.
i can hear it callin’ me the way it used to do,
i can hear it callin’ me back home!

babe...i’m gonna leave you
oh, baby, you know, i’ve really got to leave you
oh i can hear it callin’ me
i said don’t you hear it callin’ me the way it used to do?

i know i never never never gonna leave your babe
but i got to go away from this place,
i’ve got to quit you, yeah
baby, ooh don’t you hear it callin’ me?
woman, woman, i know, i know
it feels good to have you back again
and i know that one day baby, it’s really gonna grow, yes it is.
we gonna go walkin’ through the park every day.
come what may, every day

it was really, really good.
you made me happy every single day.
but now... i’ve got to go away!
baby, baby, baby, baby
that’s when it’s callin’ me
i said that’s when it’s callin’ me back home...

Dance me to the end of love
H7/F# Em
Dance me to the end of love

Oh let me see your beauty when the witnesses are gone
Let me feel you moving like they do in Babylon
Show me slowly what I only know the limits of
Dance me to the end of love
Dance me to the end of love

Dance me to the wedding now, dance me on and on
Dance me very tenderly and dance me very long
We’re both of us beneath our love, we’re both of us above
Dance me to the end of love
Dance me to the end of love

Dance me to the children who are asking to be born
Dance me through the curtains that our kisses have outworn
Raise a tent of shelter now, though every thread is torn
Dance me to the end of love

Dance me to your beauty with a burning violin
Dance me through the panic till I’m gathered safely in
Touch me with your naked hand or touch me with your glove
Dance me to the end of love
Dance me to the end of love
Dance me to the end of love

I [C]heard there was a [Am]secret chord
That [C]David played and it [Am]pleased the lord
But [F]you don't really [G]care for music, [C]do you? [G]
Well it [C]goes like this the [F]fourth, the [G]fifth
The [Am]minor fall and the [F]major lift
The [G]baffled king com[Em]posing halle[Am]lujah

[chorus:]
Halle[F]lujah, halle[Am]lujah,
halle[F]lujah, halle[C]lu[G]u[C]jah

Well your [C]faith was strong but you [Am]needed proof
You [C]saw her bathing [Am]on the roof
Her [F]beauty and the [G]moonlight over[C]threw you[G]
She [C]tied you to her [F]kitchen [G]chair
She [Am]broke your throne and she [F]cut your hair
And [G]from your lips she [Em]drew the halle[Am]lujah

[chorus]

[C]Baby I've been [Am]here before
I've [C]seen this room and I've [Am]walked this floor
I [F]used to live [G]alone before I [C]knew you[G]
[C]I've seen your flag on the [F]marble [G]arch
But [Am]love is not a [F]victory march
It's a [G]cold and it's a [Em]broken halle[Am]lujah

[chorus]
Well [C]there was a time when you [Am]let me know
What's [C]really going [Am]on below
But [F]now you never [G]show that to me [C]do you[G]
But re[C]member when I [F]moved in [G]you

And the [Am]holy dove was [F]moving too
And [G]every breath we [Em]drew was halle[Am]lujah

[chorus]
Well, [C]maybe there's a [Am]god above
But [C]all I've ever [Am]learned from love
Was [F]how to shoot some[G]body who out[C]drew you[G]
It's [C]not a cry that you [F]hear at [G]night
It's [Am]not somebody who's [F]seen the light
It's a [G]cold and it's a [Em]broken halle[Am]lujah

[chorus]

leonard cohen – partisan

[Am]
When they [C*]poured a[E*]cross the [Am]border
I was [C*]cautioned [E*]to sur[Am]render,
this [C]I could not [G]do;
[F] I took my gun and [C]vanished.[E, Am]

I have changed my name so often, I've lost my wife and children
but I have many friends, and some of them are with me.

An old woman gave us shelter, kept us hidden in the garret,
then the soldiers came; she died without a whis-per.

There were three of us this morning I'm the only one this evening
but I must go on; the frontiers are my prison.

Oh, the wind, the wind is blowing, through the graves the wind is blowing
freedom soon will come; then we'll come from the shad-ows.

Les Allemands etaient chez moi, ons m'a dit: "Resigne toi,"
mais je n'ai pas peur; j'ai repris mon arme.

J'ai change cent fois de nom, j'ai perdu femme et enfants
mais j'ai tant d'amis; j'ai la France entiere.

Un vieil homme dans un grenier pour la nuit nous a caches,
les Allemands l'ont prisent; il est mort sans surprise.

Oh, the wind, the wind is blowing, through the graves the wind is blowing
freedom soon will come; then we'll come from the shadows.

leonard cohen – suzanne

[E]Suzanne takes you down to her place near the river
You can [A]hear the boats go by, you can spend the night beside her
And you [E]know that she's half-crazy, but that's why you wanna be there
And she [G#m]feeds you tea & oranges that come [A]all the way from China
And [E]just when you mean to tell her that you [A]have no love to give her
Then she [E]gets you on her wavelength & she [F#m]lets the river answer
That you've [E]always been her lover

chorus:

And you [G#m]want to travel with her, and you [A]want to travel blind
And you [E]know that she will trust you,
For you've [A]touched her perfect body with your [E]mind

And [E]Jesus was a sailor, when he walked upon the water
And [E]he [A]spent a long time watching from his lonely wooden tower
And [E]when he knew for certain only drowning men could see him he said
[G#m]'All men will be sailors then, un[A]til the sea shall free them'
But [E]he himself was broken, long be[A]fore the sky would open
For[E]saken, almost human, he [F#m]sank beneath your wisdom like a [E]stone

And you [G#m]want to travel with him, and you [A]want to travel blind
And you [E]think maybe you'll trust him,
For he's [A]touched your perfect body with his [E]mind

Now [E]Suzanne takes your hand and she leads you to the river
She is [A]wearing rags & feathers from Salvation Army counter
And [E]the [E]sun pours down like honey on Our Lady of the Harbour
And she [G#m]shows you where to look among the [A]garbage & the flowers
There are [E]heroes in the seaweed, there are [A]children in the morning
They are [E]leaning out for love, & they will [F#m]lean that way forever
While [E]Suzanne holds the mirror

And you [G#m]want to travel with her, and you [A]want to travel blind

And you [E]know you can trust her,

I'm comin' home, baby now
(You know I'm counting everyday)
I'm comin' home now, yeah-yeah-yeah!
(Use the phone)
I'm comin' home, baby now
(And baby let me hear you say)
I'm comin' home, you're hearin' what I say
(That you're comin' home - I will lay awake)
And I never will go away
I'm comin' home!

(Come on home)
I'm comin' home, baby now
(You know I'm waitin' at the door)
They can't hold me back now, no-oh-oh more
(I'm alone)
I'm pressin' on, baby now
(And pacing up and down the floor)
Oh hear me holler and hear me roar
(Say you'll be with me)
Gonna be with you ever more (ever more)
I'm comin' home

(Come on home)
I'm comin' home, baby now
(Oh baby, say you're comin' home)
That's what I say, I say I'm comin' home
(Something's wrong)
The road is long, baby now
(You ought to either write or phone)
I'm comin' home and never more to roam
(Baby, tell me you're - comin' home)
Baby, I'm for sure - comin' home

I'm comin' home

Intro:

Em (Top 4 strings picked slowly down then up) x 4

Verse 1:

[Em]She was more like a beauty queen from a movie scene

I said don't mind, but what do you mean [Am]I am the one

Who will dance on the floor in the [Em]round

She said [Am]I am the one, who will dance on the floor in the [Em]round

[Em]She told me her name was Billie Jean, as she caused a scene

Then every head turned with eyes that dreamed of [Am]being the one

Who will dance on the floor in the [Em]round

Bridge:

[C]People always told me be [Em]careful of what you do

Don't [C]go around breaking young girls' [Em]hearts

And [C]mother always told me be [Em]careful of who you love

And be [C]careful of what you do before the [B7]lie becomes the truth

Chorus:

[Em]Billie [Am]Jean is [Em]not my [Gadd9/E]lover

[Em]She's just a [Am]girl [Em]who says that I[Am] am the one[Bmadd11/A]

But the [Gadd11/A]kid is [Bm7/A]not my [Em]son

She says I[Am] am the one

But the [Gadd11/A]kid is [Bm7/A]not my [Em]son

Verse 2:

[Em]For forty days and for forty nights. The law was on her side.

But who can stand when she's in demand. Her [Am]schemes and plans.

'Cause we danced on the floor in the [Em]round

So take my[Am] strong advice, remember to always think [Em]twice

(Do think twice)

Verse 3:

[Em]She told my baby we'd danced till three, then she looked at me **michael jackson – thriller**

Then showed a photo my baby cried [Am] his eyes were like mine
'Cause we danced on the floor in the [Em]round

intro: [Am C D Am7]

Bridge:

[C]People always told me be [Em]careful of what you do
Don't [C]go around breaking young girls' [Em]hearts
[C]Then she stood right by me. The [Em]smell of sweet perfume.
This [C]happened much too soon. [B7]She called me to her room.

[D7]It's close to midnight, and [Am7]something evil's, lurking in the dark.
Under the moonlight, you see a sight, that almost stops your heart.
You try to scream, but terror takes the sound, before you make it.
You start to freeze, as horror looks you right between the eyes;
[Fmaj7]You're para[Em]lyzed.

Chorus:

[Em]Billie [Am]Jean is [Em]not my [Gadd9/E]lover
[Em]She's just a [Am]girl [Em]who says that I [Am] am the one [Bmadd11/G#]
But the [Gadd11/A]kid is [Bm7/A]not my [Em]son
She says I [Am] am the one
But the [Gadd11/A]kid is [Bm7/A]not my [Em]son
[Em]So take my [Am] strong advice, remember to always think [Em]twice
(Do think twice)

[chorus]
[C#]this is; [Am]Thrill[C]ler, [D]Thriller [Am7]Night;
And [D7]no one's gonna save you from the [Dm7]beast about to strike.
You know it's; [Am]Thrill[C]ler, [D]Thriller [Am7]Night;
You're [D7]fighting for your life, inside a [F7]killer, [D7]Thriller, [F/G]
You hear the door slam, and realise there's nowhere left to run.
You feel the cold hand, and wonder if you'll ever see the sun.
You close your eyes, and hope that this is just imagi-nation.
But all the while, you hear the creature creepin' up be-hind;
You're out of time.

[chorus]

[D7] Night creatures call and the dead start to walk in their [Fmaj9]masque
[Am7] There's no escapin' the [C/G]jaws of the alien, this [Em7b5]time;
[Fmaj7]This is the end of your [E7sus4]life. [E7]

They're out to get you; there's demons closing in on every side.
They will possess you; un-less you change the number on your dial.
Now is the time, for you and I to cuddle close to-gether.
All through the night, I'll save you from the terror on the screen;
I'll make you see,

That this is; [Am]Thrill[C]ler, [D]Thriller [Am7]Night;

'Cos [D7]I can thrill you more than any [Dm7]ghost would dare to try **moby — in this world**

Girl, this is; [Am]Thrill[C]ler, [D]Thriller [Am7]Night;

So [D7]let me hold you tight, and share a [F7]killer,

[D7] Diller, [F/G]chil[Am7]ler, Thriller here [C]tonight.

But you were otherwise

A specimen like you I would love to obtain
I asked a tedious guy if he'd tell me your name
I'd love to impress you With a back summersault
I wanna take up your love But it's locked in a vault
I wanna take up your love But it's locked in a vault

[chorus]

When i open my mouth
thoughts are brutally honest
And i can't expect that kind of love from you
When you open your mouth
Your teeth are beautifully polished
And i can't extract the pain you're going through
No i can't explain
The pain you're going through

It ain't gonna hurt now If you open up your eyes
 You're making it worse now Everytime you womanise
 I'm under your curse now But I call it compromise
 I'm under your curse

morphine – the night

intro: [Gm, F, Dm, A/C#, Dm, F/C, A#]

[Gm]You're the night, [F]Lilah.

[Dm]A little girl [A/C#]lost in the woods.

[Dm]You're a folk tale,[F/C]the unexplainable[A#]

chorus:

[Gm]You're a bedtime [F]story.

[A/E]The one that keeps the curtains [Dm]closed.

[Gm]I hope you're waiting [F]for me

[A/E]cause I can't make it on my [Dm]own.

[A/E]I can't make it on my [Dm]own.

[Gm]It's too dark to see the [F]landmarks.

[Dm]I don't want your good luck [A/C#]charms.

[Dm]I hope you're waiting for [F/C]me

across your carpet of [A#]stars.

[Gm]You're the night, [F]Lilah.

[Dm]You're everything that we can't [A/C#]see.

[Dm]Lilah, [F/C]you're impossibility.[A#]

chorus

[Gm, F, Dm, A/C#, Dm, F/C, A#]

[Gm]Unknown the unlit world of old.

You're the [F]sounds I never heard before.

[Dm]Off the map where the wild things grow.

[A/C#]Another world outside my door.

[Dm]Here I stand I'm all alone.

[F/C]Drive me down the pitch black road.

[A#]Lilah you're my only home and I can't make it on my own.

chorus

outro:

You're the paint can falling off the wall

at the door that slams at the end of the hall

where the kid rings sounds of basketball.

The battle of the earth of the angels.

The shifting snow drifts so realistic, so realistic

- call you of stars. See there is something in the yard.

It's awful dark. With the painted strings,

the good luck charm, the prayer, the extra layer...

morphine – the saddest song

[Bm]On my first day back, [A]first day back in town
[Bm]First day, my [A]first day back in town
[Bm]The clouds up above, they were [A]humming our song
[Bm]Humming, humming our [A]song

[Bm]My biggest fear is [A]if I let you go,
[G]You'll come and get me in my [F#]sleep
[Bm]My biggest fear is [A]if I let you go,
[G]You'll come and get me in my [F#]sleep
Come and [Bm]get me. [A, Bm, A]

I set my course, sailed away from shore
Steady, steady as she goes
I crash in the night, two worlds collide
But when two worlds collide no one survives no one survives and
The reddest of reds, the bluest of blues
The saddest of songs I'll sing for you.

My biggest fear is if I let you go,
You'll come and get me in my sleep
My biggest fear is if I let you go,
You'll come and get me in my sleep
Come and get me. Come and get me in my sleep.

He would [Gm]be my first man, and [Bb]with a careful hand
He [Cm]wiped the tears that [D]ran down my face

She was more [Cm]beautiful than any [D]woman I'd seen
I said, [Gm]"Do you know where the [Bb]wild roses grow

On the [Gm]second day he came with a [Bb]single rose
Said: "Will you [Cm]give me your loss and your [D]sorrow?"
I [Gm]nodded my head, as I [Bb]lay on the bed
He said, "If I [Cm]show you the roses will you [D]follow?"

Chorus

And I forget Just what it takes
And yet I guess it makes me smile
I found it hard Its hard to find
Oh well, whatever, nevermind

Hello, hello, hello, hello, Hello, hello, hello!

The empty hand of innocence
transfusing street of the sorrows
and children of the wood

Hounded, shredding all veils
and winding all sheets of the dead world droning
Overturning tables laden with silver sacrificial birds
Beating goat-skin drums
Advancing with hands out-stretched
and we keep filling them with mercury nitrate, asbestos
Baby bombs blasting blue
Scavengers picking through the ashes
Children of the mills!
Children of the junkyards!
Sleepy, illiterate, fuzzy little rats
haunted, paint-sniffin',
stoned out of their shaved heads
Forgotten, foraging, mystical children
Foul-mouthed, glassy eyed, hallucinating

patti smith – pissing in a river

Am C Dm F

Pissing in a river, watching it rise
Tattoo fingers shy away from me
Voices voices mesmerize
Voices voices beckoning sea
Come come come come back come back
Come back come back come back

Spoke of a wheel, tip of a spoon
Mouth of a cave, I'm a slave I'm free.
When are you coming ? Hope you come soon
Fingers, fingers encircling thee
Come come come come come come
Come come come come come come for me oh

My bowels are empty, excreting your soul
What more can I give you ? Baby I don't know
What more can I give you to make this thing grow?
Don't turn your back now, I'm talking to you

Should I pursue a path so twisted ?
Should I crawl defeated and gifted ?
Should I go the length of a river
[The royal, the throne, the cry me a river]
Everything I've done, I've done for you
Oh I give my life for you.
Every move I made I move to you,
And I came like a magnet for you now.

What about it, you're gonna leave me,
What about it, you don't need me,
What about it, I can't live without you,
What about it, I never doubted you
What about it ? What about it ?

What about it ? What about it ?

Should I pursue a path so twisted ?
Should I crawl defeated and gifted ?
Should I go the length of a river,
[The royal, the throne, the cry me a river]
What about it, what about it, what about it ?
Oh, I'm pissing in a river.

portishead – glory box

Its time to move over... ...

I'm so tired, of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long

Just. .

Give me a reason to love you
Give me a reason to be ee, a woman
I just wanna be a woman

From this time, unchained
We're all looking at a different picture
Thru this new frame of mind
A thousand flowers could bloom
Move over, and give us some room

Give me a reason to love you
Give me a reason to be ee, a woman
I just wanna be a woman

[INSTRUMENTAL]

So don't you stop, being a man
Just take a little look from our side when you can
Sow a little tenderness
No matter if you cry

Give me a reason to love you
Give me a reason to be ee, a woman
Its all I wanna be is all woman

For this is the beginning of forever and ever

Testify or tell,
It's fooling us now,

So let it be known,
For what we believe in,
I can see no reason,
For it to fail.

'Cause this life is a farce,
I can't breathe through this mask,

Like a fool

So breathe on, little sister, breathe on,
Oh, so breathe on, little sister, like a fool

portishead – mysterons

Bbm Bm
Inside you're pretending,
Look 'round you've been swept aside,
Somewhere, where they can forget

Divine, a buried chain
Still holding on,
This ocean will not be grasped

All for nothing
Did you really want (*4)

Refuse to surrender,
Strung out until ripped apart,
Who dares,
Who dares to condemn?

All for nothing
Did you really want (*4)

portishead – plastic

I wonder why
I don't know what you see
Of course I care
I won't pretend

It's just a thought
I've said enough
Don't you know life turns me
Always wants me
I can hardly pray

I could try
But don't know what you hear
'Cause in my heart
You were so clear

It's just a thought
I've said enough
Don't you know life turns me
Always wants me
I can hardly pray

On your stage
A show that you create
All by yourself
I am nowhere

You never noticed
You were so sure
Don't you know life turns me
Always wants me
I can hardly pray

portishead – rip

As she walks in the room
Scented and tall
Hesitating once more
And as I take on myself
And the bitterness I felt
I realise that love flows

Wild, white horses
They will take me away
And the tenderness I feel
Will send the dark underneath
Will I follow?

Through the glory of life
I will scatter on the floor
Disappointed and sore
And in my thoughts I have bled
For the riddles I've been fed
Another lie moves over

Wild, white horses
They will take me away
And the tenderness I feel
Will send the dark underneath
Will I follow?

Wild, white horses
They will take me away
And the tenderness I feel
Will send the dark underneath
Will I follow?

And fade out again and fade out again

terry callier – ordinary joe

For my openin' line
I might try to indicate my state of mind
or turn you on
or tell you that I'm laughin'
just to keep from cryin'
pretty music, when you hear it,
keep on tryin' to get near it
a little rhythm for your spirit
but that's what it's for
c'mon in here's the door

I've seen a sparrow get high and waste his time in the sky
he thinks it's easy to fly he's just little bit freer than I

Now here's a mystery
maybe you can help to make it clear to me
When you're fast asleep
and than what is that's lightin' up the dreams you see
all your tears can't conceal it
all your prayers may not reveal it
you got soul so you can feel it
and when you make the scene
then you'll know what I mean

I've seen a sparrow get high and waste his time in the sky
he thinks it's easy to fly he's just little bit freer than I

Down here on the ground
when you fine folks are givin' you the runaround
keep your game up up-tight
and if you must just take your secrets underground
now, politicians try to speech you
mad color watchers try to teach you
very few will really try to reach you

if you're lost in the stack
that's ok come on black

Now I'd be the last to deny that I'm just an average guy
and don't you know each little bird in the sky
Is just a little bit freer than I

Ordinary Joe, people say you're just a lazy so and so
what they think is real is nothing but an animated puppet show

So don't let time and space confuse you
don't let name and form abuse you
let Big Joe Williams blues you
in the light of the sun you can see how they run

 wish i had the guts to bum one, but we've never met
 and i hope that i don't fall in love with you

and i can see that you are lonesome just like me
 and i'm feeling like you'd like some company
 well i turn around to look at you, and you look back at me
 the guy you're with is up and split, the chair next to you's free
 and i hope that you don't fall in love with me

now it's closing time, the music's fading out
 last call for drinks i'll have another stout

i turn around and look at you, you're nowhere to be found
i search the place for your lost face, i guess i'll have another round
and i think that i just fell in love with you

tracy chapman – talking about a revolution

Em 022000
D XX0232

don't you know they're talkin' bout a revolution
it sounds like a whisper
don't you know they're talkin' bout a revolution
it sounds like a whisper

while they're standing in the welfare lines
crying at the doorsteps of those armies of salvation
wasting time in the unemployment lines
sitting around waiting for a promotion

don't you know they're talkin' bout a revolution
it sounds like a whisper

poor people gonna rise up and get their share
poor people gonna rise up and take what's theirs

don't you know you better run, run, run, run
run, run, run, run, run, run, run, ru-un
oh i said you better run, run, run, run
run, run, run, run, run, run, run, ru-un

'cause finally the tables are starting to turn
talkin' bout a revolution
yes finally the tables are starting to turn
talkin' bout a revolution ohoh lord
talkin' bout a revolution ohoh

while they're standing in the welfare lines
crying at the doorsteps of those armies of salvation

wasting time in the unemployment lines
sitting around waiting for a promotion
don't you know they're talkin' bout a revolution
it sounds like a whisper

and finally the tables are starting to turn
talkin' bout a revolution

buty – až ja budu svatý

[A, H, E, H, E, E, A, D, G, A, D, E]

[A]Až já budu svatý
[H]budu čurat [E]na mr[H]ak[E]y
[E]a kdo neměl na zemi
[A]na čurání [D]korunu
[G]vyčurá [A]se ta[D]ky [E]

Budeme tam spolu
vyčuráme se dolů
až do pekla samého
tam ať nám to zaplatí
ti čerti rohatí

[E, A, E, A, A, D, G, C, D, G, (E, A)]

A že svatý nebudu
budu aspoň bohatý
kupím si já letadlo
vyletím s ním nad mraky
vyčurám se taky

[E, A, E, A, D, A, D]

buty – františek

[G]Na hladinu rybníká svítí sluníčko[C]
[Emi]A kolem stojí v hustém kruhu [G]topoly
[Ami]Které tam zasadil jeden hodný [Hmi]člověk
[Ami]Jmenoval se František [D]Dobrota
František Dobrota, rodák z blízké vesnice
Měl hodně dětí a jednu starou babičku
Která když umírala tak mu řekla: "Františku,
teď dobře poslouchej, co máš všechno udělat !"

3 x /: [C]Balabambam, balabambam[C,D,C] :/
a [Ami]kolem rybníka nahusto nasázet [D]topoly

František udělal všechno co mu řekla
A po snídani poslal děti do školy
Žebříňák s nářadím dotáhl od chalupy k rybníku
Vykopal díry a zasadil topoly
Od té doby vítr na hladinu nefouká
Takže je klidná jako velké zrcadlo
Sluníčko tam svítí vždycky rádo
protože tam vidí Františkovu babičku

elán – amnestia na neveru

[Ami]Cez more [F]cez oheň [G]láska nás prevedie
[Ami]Hravo nás [F]podvedie [G]telom aj v duši
[Ami]Len žiadne [F]spovede [G]lepšie nič nevedieť
[F] V najlepšom prípade [E]len niečo tušiť.

Vie to aj piatačik, vie to riaditeľ školy
Že láska občas tak nádherne bolí
Miluje dotyky tance a gestá
Neverných odmení a verných trestá.

[F]Láska Bože, [G]láska, [Ami]kde Ťa ľudia berú
[F]Vyhlasujem [G]veľkú [Ami]amnestiu na neveru.
[F]Láska Bože, [G]láska, [Ami]kde ťa ľudia berú,
[F]láska Bože, [G]láska, [Ami]óoo[G]oou[F]ou

Láska má recidívy tak dlho kým sme živí
nikdy jej nie je dosť má čudnú minulosť
Láska je zázrak, ktorý sa koná bežne
Chalani sú z nej chorí dievčatá také nežné

Láska je kukla, ktorá sa na motýľa zmení
Až keď mu krídla zhoria,
vie pravdu o plameni.

elán – tanečnice z lúčnice

[Ami]Raz nás stopli strašne milé [G]baby
[F]mohli sme sa desať razy [C]zabiť
[Ami]Celú cestu som sa [G]obzeral,
[Emi]zostal po nich iba úsmev vo [Ami]dverách

Bolo s nimi podozrivo dobre
adresy však veľmi nerád žobrem
Študentky a možno učnice
[F]kto mal vedieť, že boli z [E]Lúčnice?

R: [Ami]Teraz už [Emi]viem, [Ami]prečo každý [Emi]chce
[Ami]tanečnice z [F]Lú, z [E]Lúčni[Ami]ce

[C]Zrazu som ich stre[G]tol
[G]na potulkách sve[C]tom
Tam kde je to vhodné
priamo vo Východnej

Azda sú to iba slová, slová
ja som s avšak vážne zamiloval
Možno viete, čo to znamená
Emihľadať dievča bez adresy, Amibez mena

Ešte mám z ich vystúpenia lístok
Páry sa mi zdali príliš blízko
Počkal som ju kým sa odkrojí
[F]ešte krajšia bude v bielom [E]závoji

R:
Potom prišli dáki veľkí chlapi
spýtali sa či ma niečo trápi
Mocní z bryndze, rýchli z žinčice
[Emi]Kto mal vedieť, že boli z [Ami]Lúčnice?
6 = 2

elán – van goghovo ucho

[Ami]Keď prišiel Van Gogh [F]o ucho - bola [G]to láska
[Ami]Keď zastrelili [F]Puškina - [G]bola to [C]láska
[Ami]Stačí keď zájdeš[F]do kina bude tam [G]láska
[Ami]Keď večer telku [F]prepínaš[G] všade je [Ami]láska
[F]óóó [G] všade je [Ami]láska

Aj keď je lásky stále viac na cene stúpa
veksláci márne dúfajú že si ju kúpia
Psychológ sa v nej nevyzná veď nie je hlúpa
Aj keď je lásky stále viac na cene stúpa óóó
na cene stúpa

Keď [Emi]hlas sa [Ami]zlomí prvý raz
keď [Emi]sám v [Ami]sebe sa nevyznáš
keď [Fm] [Amaj7]náhle celkom [G]strácaš reč
a [Ami]zostávaš [G]aj keď [F]chceš ísť preč
Bude to [Ami]láska [F], [G]bude to [Ami]láska [F, G]

elán – zlodej slnečníc

[Hmi]Za prejazdom [A]slepá lampa [G]pri nej chata a strom [A]
[Hmi]tam som prehral [A]stávkú s osu[G]dom [A]
[Hmi]Pre dve jamky [A]zapadnuté do [G]opálených líc
prelie[Hmi]zol som živý plot [F#]ako zlodej slnečníc.

Pri komíne starej sklárne mal som dostať svoj diel
nie však krivý úsmev zrkadiel
pobral som sa zabudnutý kradnúť sny do ulíc
preliezol som živý plot ako zlodej slnečníc.

Pre ne [Emi(Gmaj7)]mám [A]záznam [Hmi]v registry strát
Neča[Emi]kám[A] na [Hmi]zázrak
jeden [Emi]krát[A] budem [Hmi]pred tebou stáť
dnes už [G]viem, čo [A]chcem, som [Hmi]drak [A, Hmi]

Za prejazdom slepá lampa pri nej chata a strom
tam som prehral stávkú s osudom
Pre dve jamky zapadnuté do opálených líc
preliezol som živý plot ako zlodej slnečníc.

chiki liki tu-a – láska moja de si

[E]Odišiel mi pred nosom vlak
[A]s tebou láska moja,
[E]Neviem žiť bez teba,
[H7]lebo ty si láska moja.

chorus:
[E]Láska moja de si
[A]chýbaš mi ta de si.
[H7]Láska moja de si
[E]chýbaš mi ta de si.

[E]V bufete si traja chlapi
[A]ticho pijú kavu
[E]A ja chcem piť s nimi
[H7]no nemám ani na kavu

chorus

[E]Stojím tu už 3 hodiny
[A]a je mi už zima
[E]Ja tu asi zomriem baby
[H7]jaká mi je zima.

"Živého či mrtvého Jožina kdo přivede,
tomu já dám za ženu dceru a půl JZD!"

[refrén]

Říkám:"Dej mi, předsedo, letadlo a prášek,
Jožina ti přivedu, nevidím v tom háček."
Předseda mi vyhověl, ráno jsem se vznesl,
na Jožina z letadla prášek pěkně klesl.

R: Jožin z bažin už je celý bílý,
Jožin z bažin z močálu ven pílí,

[Dmi7]prečo sa len od nás
[E7]takto dištancuje?[Ami]

Musíme sa Ďura spýtať,
prečo nechce piť,
mohol by nám jedného dňa
pekne zavariť.
Ani s nami nepije,
ani ženu nebije,
prečo sa len od nás
takto dištancuje?

Jedného dňa prezradil nám,
že mu nechutí,
že vraj on na pijatiku
nie je zvyknutý.
Len sa Ďurko nesmieš báť,
odpor treba prekonať,
nesmieš sa ty od nás
takto dištancovať.

Lenže Ďuro, ten si od nás
nedal poradiť,
darmo sme ho ponúkali,
nechcel si vypiť.
Tak sme mu na oplátku
pichli vidly do zadku.
Odvtedy je v našej obci
všetko v poriadku.

všecko viděl jsem do hnědě tak jsem zmáčknul AbeCeDe
no a už mě kurva ke stolečku vleču

Čech to začal takym malym interviju
co pry robim esi kuřim a co piju
tak jsem řeknul co jsem řekl on se evidentně leknul
a už začly blikat světla ve studiu

První otázka pry co je ukulele
tož to se přiznam měl jsem bobky u prdele
tak jsem radši hlavu sklonil abych to všecko nezkonil
říkám chtěl bych se obratit na přítele

Lojza byl po hlasu silně nevyspaly

bylo slyšet jak tam dycha ale třicet vteřin ticha
to je tak dyž se vam kamarad navali.

Moju staru zatím doma braly mory
lidi ohryzavali televizory

Čech tam zatím maval tymi svymi čisly
tak si říkam Franta napij sa a mysli
jake tudy sakypaky obratiš se na divaky
šak tu zatím za ty prachy enem kysli

Sam jsem byl zvědavý co publikum zvolí
bo aj v obecenstvu možu sedět voli

bo co není stopro to mě dycky smali

Ještě že jsem chlap co zboja neutika
říkam pane Čechu pujdem do rizika
měl jsem v gatach nadělano ale Čech zakřičel ano
mate pravdu je to nastroj hudebnika

Lidi tleskali bo uspech to byl plný
radosti zrobili dvě mexicke vlny
a ja co mam srdce skromne jako všeci z Dolni Lomne
jsem byl spokojeny bo sem ukol splnil

Pane Čechu nerad přetahnul bych strunu
končim hru a беру tisícikorunu
Čech se jenom chytnul stolu obočí mu spadlo dolu
no a už se modry ku podlaze sunul

 když Božena v negližé řvala, že ho nechce.
2. Marně jsem se snažil Božce vnutit toho tlustokožce,
 originál nosorožce, co nevidíš v obchodech.
 Řvala na mě, že jsem bohem, pak mi řekla: padej, sbohem,
 zabouchla nám před nosorohem, tak tu sedím na schodech.
 Co nevidím - souseda, jak táhne domů medvěda,
 originál medvěda, tuším značky grizzly.
 Už ho ženě vnucuje a už ho taky pucuje
 a zamčela a truceje, tak si to taky slízli.

lasica, satinský – keď som išiel

[Am]Keď som išiel do lesa na drevo,
drevo sa mi do prsta zadrelo,
[Dmi]triesočka mi pod nehtom [Ami]bude hniť,
[G]musím si ja pol prsta [F]od[E]fak[Ami]liť.

Ale keď si odľaklím pol prsta,
sotva mi to mladenci odpustia,
keď si v krčme dám iba poldeci,
skúmať budú, čože je vo veci.

Tak si radšej odľaklím celý prst,
aj tak bol malinky ako chrúst,
podľa toho malého prstíka
by mi ani nehrala muzika.

Lenže teraz v kotrbe vrta mi,
čo si počnem so štyrmi prstami,
budeže to oštara, hej veru,
v štyroch prstoch udržať sekeru.

Odfaklím si ja všetkých päť prstov,
aj tak boli priveľmi nahusto,
ruka bude bez prstov, nič to, veď
na druhej ich zostane ešte päť.

A keď kosiť pôjde sa na lúky,
ja nepôjdem, veď budem bez ruky,
len si koste, ale ja ako pán
jednou rukou vínečko popíjam.

Keď som išiel do lesa na drevo,
drevo sa mi do prsta zadrelo,
kto by sa bol odvážil vtedy povedať,
že to taký šťastný koniec bude mať.
